

24 – H.96 Bridge Replacement

Volume 1, Issue 1

October 25, 2018

Road Improvements to Begin

As a joint effort between Mesa County and Mountain Valley Contracting, construction on 24 – H.96 Bridge Replacement will be starting in November 2018. This project includes the construction of a new bridge over GVIC Highline Canal, related road work, irrigation modifications, and road profile improvements. Additionally, there will be reconstruction of the intersection at 24 Road and I Road to improve the sight distance.

Please be aware that this is construction and is a dangerous area for all non-authorized personnel. We strongly advise all pedestrians and their families to find alternate routes around the area. Accommodations will be made for local traffic.

The anticipated completion date of this project is the beginning of May 2019.

**PLEASE ADVISE
CHILDREN TO STAY
AWAY FROM
CONSTRUCTION ZONE.**
