

01-30-2017

This project at 29 ½ road is delayed further from original dates given due to the relocation of cable, phone, and water lines. This week Ute Water will begin the relocation of the water lines in that area and starting about mid-week excel will begin the electrical line relocations.

If you have any further questions or concerns please contact:

Rebecca at (970) 640-6129

Thank you
